

Dublin Apple Regional Training Centre

Session Five

'Everyday Digital Workflows'

Event Overview

An Apple Regional Training Centre delivers free courses to teachers to build the skills and confidence to use Apple technology in the classroom. Teachers in the Dublin area can now benefit from this facility. We would be delighted if you would join us for the first session of the year of the Dublin RTC in Dublin & Dun Laoghaire Education & Training Board Head Office.

'Everyday Digital Workflows'

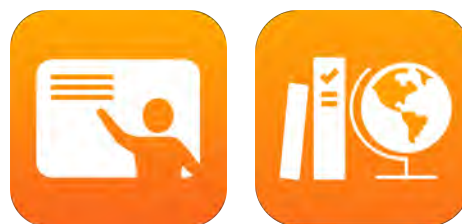

This session will focus on the amazing super powers of **Classroom and Schoolwork**.

This simple and accessible app enhances any learning experience while developing learner creativity and maximising teacher/learner communication and collaboration. This session is relevant to all sectors from primary to further education.

It is particularly relevant to any task, activity or project requiring innovative and exciting forms of multi modal delivery, including Classroom Based Assessments and Skills Demonstrations.

Please bring...

- An open mind!
- Your own iPad with latest version of iOS installed
- If you do not have an iPad one will be provided for you.
